Experience

Synthesa

Co-Founder & CEO

February 2025 - Present (1 year 6 months)

New York, United States

AI-based Evidence Synthesis. Synthesa redefines Evidence Synthesis by fusing the expertise of top-tier human specialists with the unrivaled speed and scale of large language models (LLMs) to produce reports for clients in the healthcare industry an order of magnitude faster and more accurate than human-only reviewing teams.

Praxia Capital

Venture Partner

April 2023 - Present (3 years 4 months)

UAE - Greece

Boutique advisory firm specializing in Venture Debt and Financial Advisory services in the MENA region and Southeastern Europe. Tailor-made venture debt offers a non-dilutive financing option for high-growth companies. It

provides capital to fuel expansion, bridge funding gaps, and support strategic initiatives while minimizing equity dilution and preserving ownership control.

HeBAN - Hellenic Business Angels Network (Association)

3 years 5 months

Vice President

April 2024 - Present (2 years 4 months)

Member

March 2023 - March 2024 (1 year 1 month)

The Hellenic Business Angels Network (HeBAN) has been established as a national, non-profit organisation in response to a gap in the Greek entrepreneurial ecosystem of providing sufficient funding and expertise to innovative start-ups in their early stages.

Oikotruster Student Housing

CEO

April 2010 - Present (16 years 4 months)

Greece

Oikotruster Student Housing is the first and largest student housing provider in Greece. Purpose-built and fully managed student accommodation since 1999.
www.oikotruster.gr

Metavallon.vc

Advisory Board Member

May 2018 - April 2023 (5 years)

Greece

Metavallon VC is a €32 million venture capital firm that specializes in seed stage funding for technology companies. The firm engages at the very early stage and funds companies that will operate at the forefront of business and technology innovation.
